THTR-CDTZ-BA: Major in Theatre, Costume Design and Technology Concentration THTR-LDTZ-BA: Major in Theatre, Lighting Design and Technology Concentration THTR-PDTZ-BA: Major in Theatre, Projection Design and Technology Concentration THTR-PRFZ-BA: Major in Theatre, Performance Concentration THTR-SDSZ-BA: Major in Theatre, Set Design Concentration THTR-SDTZ-BA: Major in Theatre, Sound Design and Technology Concentration	On 5/6/22, UCC approved the new Major in Theatre, Musical Theatre Concentration with language regarding an audition requirement before acceptance into the concentration. This language appears in the 'Additional Information' field in CIM. This allowed the creation of a 'Pre-Theatre' program code designed to cap the number of students enrolled in the Musical Theatre Concentration. The Major in Theatre is currently experiencing an enrollment bubble. To keep enrollment at a sustainable level, the department will start requiring auditions for all concentrations, not just Musical Theatre. Audition requirement language has been added to the 'Additional Information' fields in CIM for each of these concentrations. Department will update its General Catalog pages to reflect an audition requirement.	Fall 2023
