

A regular meeting of the University Curriculum Committee was held on September 30, 2016, at 2:00 p.m.

Members present: Chair Carole Makela, Professors Ed DeLosh, Bradley Goetz, Brad Reisfeld, Paul Mallette, Howard Ramsdell, Sally Sutton, Mike Hogan, Beth Oehlerts and VPUA Kelly Long (ex-officio).

Curriculum Unit: Kayleen Allen and Shelly Ellerby.

Guests: Julia Murphy (Registrar's Office), Linda Selkirk (CSU Online) and Faculty Council Chair Mary Stromberger.

Absent: Graduate Representative Kevin Jablonski and Undergraduate Student Representative.

Minutes

The Minutes of September 23, 2016 were approved.

Consent Agenda

The Consent Agenda was approved.

New Courses

Effective Term

ESS 696 Group Study Var[1-6] F, S, SS

Spring 2017

Prerequisite: None.

Restriction: Must be a: Graduate, Professional.

Registration Information: Written consent of instructor. Sections may be offered: Online.

Description: Group study projects on topics in ecosystem science and sustainability.

Grade Mode: S/U Sat/Unsat Only.

FW 562 Fish and Wildlife Population Dynamics 3(2-0-1) S

Spring 2017

Prerequisite: MATH 155 or MATH 160; LIFE 220 or LIFE 320; STAT 301 or STAT 307.

Registration Information: Graduate standing. Must register for lecture and recitation. Written consent of instructor. Offered as an online course only.

Description: Factors that influence population abundance and density, and how they change over time. It blends ecology, evolution, genetics, and mathematical modeling into a unified field. Concentrate on understanding single-species population growth models, including metapopulation concepts, as well as multi-species topics such as predation and competition.

Grade Mode: Traditional.

FW 563 Methods of Fish & Wildlife Population Studies 3(2-0-1) S

Spring 2017

Prerequisite: FW 260 and STAT 301.

Registration Information: Graduate standing. Must register for lecture and recitation. Offered as an online course only.

Description: Design of population studies and the analysis of mark-recapture and occupancy data. Discussion of scientific philosophy, statistical theory, sampling design, and the application of the latest quantitative approaches to the analysis of population data.

Grade Mode: Traditional.

HIST 201 Seminar – Approaches to History 3(0-0-3) F, S

Spring 2017

Prerequisite: None.

Registration Information: None.

Description: Introduces students to professional historical skills including research methods, citation, and writing via intensive investigation of a historical time period or theme. Topic varies by instructor.

Grade Mode: Traditional.

[Approved for AUCC Category 3D: Historical Perspectives]

NSCI 612 Myth Busters – Science/Controversy/Evaluation 3(3-0-0) Spring 2017
As Needed

Prerequisite: None.

Restriction: Must be a: Graduate, Professional.

Registration Information: Written consent of instructor. Offered as an online course only. Enrollment in MNSE programs.

Description: Development and practice of western science; understanding how conflicts between science and culture create controversy; and evaluating claims.

Grade Mode: Traditional.

PBHL 520 Health Systems Policy & Management 3(3-0-0) S Spring 2017

Prerequisite: None.

Registration Information: Graduate or Professional standing.

Description: Overview of the organization and financing of U.S. healthcare systems, how health policy is developed and implemented, and key principles of leadership and management for public health professionals.

Grade Mode: Traditional.

VS 410 Pets Forever – Supporting the Life-Long Bond 3(1-4-0) F, S, SS Spring 2017

Prerequisite: HDFS 101 or PSY 100 or SOWK 110.

Registration Information: Must register for lecture and laboratory.

Description: Opportunity to engage with older adults and individuals with disabilities and their companion animals. Enrichment of students' experience through the opportunity to gain community service experience.

Grade Mode: Traditional.

Study Abroad Courses

Effective Term

BZ 449A Study Abroad: Ecology/Conservation–Ecuadorian Biodiversity Spring 2017
4(0-0-4) S [Request for permanent course – 3rd offering]

Prerequisite: BZ 220.

Registration Information: Junior standing. Written consent of instructor.

Description: Winter (January) study abroad experience in Ecuador. First-hand exposure to the unparalleled biodiversity of Ecuador. Ecuador is an ideal location to learn about tropical biodiversity, because it houses an enormous diversity of tropical ecosystems in a relatively small geographic area, all of which are very accessible. Students will visit these ecosystems—including cloud forest, páramo, and lowland Amazonian rainforest.

Grade Mode: Traditional.

JTC 454A ~~Travel~~ Study Abroad: International Media Studies ~~in~~ Europe Spring 2017
3(2-0-1) SS

Prerequisite: None.

Registration Information: Junior or senior standing. Written consent of instructor.

Description: Field survey of international media systems, technologies, and providers in diverse national and regional cultures.

Grade Mode: Traditional.

JTC 454B Study Abroad: International Media Studies–Australia and NZ Spring 2017
3(0-0-3) S [Request for permanent course – 2nd Offering for this location]

Prerequisite: None.

Registration Information: None.

Description: A field survey of international media systems, technologies, and providers in diverse national and regional cultures.

Grade Mode: Traditional.

Major Changes to Courses

Effective Term

ACT 311 Intermediate Accounting I 4(3-0-1) F, S, ~~SS~~

Spring 2017

Prerequisite: (ACT 205 with a minimum grade of B- or ACT 210 with a minimum grade of B-) and (ACT 220 with a minimum grade of B-) and (ACT 211, may be taken concurrently).

Registration Information: ~~Credit not allowed for both ACT 311 and ACT 310.~~

Description: Preparation and analysis of financial statements under U.S. generally accepted accounting principles (GAAP); accounting for revenue and assets.

Grade Mode: Traditional.

ACT 487 Internship Var[~~1-6-18~~] F, S, SS

Spring 2017

Prerequisite: Choose any two of the following: ACT 311, ACT 312, ACT 321, ACT 330, or ACT 350.

Registration Information: None.

Description: Supervised work experience in public, industry, not-for-profit, or governmental accounting.

Grade Mode: ~~Instructor Option~~; S/U Sat/Unsat Only.

ANTH 120 Human Origins and Variation 3(3-0-0) F, S

Spring 2017

Prerequisite: None.

Registration Information: Mixed face-to-face is a partial semester course. Sections may be offered: Online. Credit not allowed for both ANTH 180A1 and ANTH 120.

Description: Mechanisms of evolution; genetics. Living primate biology, behavior, and history. Human evolutionary history. Human variation and adaptation.

Grade Mode: Traditional.

[AUCC 3A, Natural & Physical Sciences w/o lab (GT-SC2)]

~~ECON 344~~ AREC 444/ECON 444 **Economics of Energy Resources 3(3-0-0) S**

Spring 2017

Prerequisite: ECON 306, ~~ECON 202 or AREC 202.~~

Registration Information: Junior standing. Written consent of instructor. Credit allowed for only one of the following: AREC 444, ECON 344, or ECON 444.

Description: Supply, consumption trends, and projected demand for alternative energy resources in domestic and world perspective; economics of public energy policies.

Grade Mode: ~~Student Option~~ Traditional.

Offering Year: ~~Odd~~ Every

EDUC 628 Models of Teaching 3(2-0-1) F, S, SS

Spring 2017

Prerequisite: None.

Restriction: Must be a: Graduate, Professional.

Registration Information: Must register for lecture and recitation. Sections may be offered: Online. ~~Graduate or professional standing only.~~

Description: Exploration of the theories pedagogical topics and skills that underlie skill development related to instructional effectiveness, improvement and innovation across levels and disciplines. ~~approaches~~

Grade Mode: Traditional.

EDUC 629 Communication and Classrooms F, S, SS

Spring 2017

Face-to-Face: ~~3(2-0-1)~~

Mixed Face-to-Face: 3(2-0-1)

Distance/Online: 3(1-0-2)

Prerequisite: None.

Restriction: Must be a: Graduate, Professional.

Registration Information: Must register for lecture and recitation. Sections may be offered: Online or Mixed Face-to-Face.

Description: Exploration of pedagogical topics and growth experiences related to effective communication, classroom management, and presentation skills.

Grade Mode: Traditional.

EDUC 635 Educators, Systems and Change 3(2-0-1) F, S, SS Spring 2017

Prerequisite: ~~None. EDUC 485A or EDUC 485B.~~

Restriction: Must be a: Graduate, Professional.

Registration Information: Must register for lecture and recitation. Sections may be offered: Online. ~~Offered as an online course only.~~

Description: Process of change in education, focusing on the teacher's role in curriculum development as leader and professional improvement. ~~facilitator.~~

Grade Mode: Traditional.

Offering Year: Every ~~Even~~

ETST 405 Ethnicity, Class, and Gender in the U.S. 3(3-0-0) F, S Spring 2017

Prerequisite: ETST 100.

Registration Information: Junior standing.

Description: Roles of and interconnections among ethnicity, class, and gender for various groups in the United States.

Grade Mode: Traditional.

[AUCC 4A and 4B for the proposed new Major in Women's and Gender Studies]

FTEC 578/HORT 578 Phytochemicals ~~Bioactives~~ and Probiotics for Health 3(2-0-1) F, S Spring 2017

Prerequisite: ~~(BC 351) and (LIFE 205 or MIP 300)~~

Restriction: Must be a: Graduate, Professional.

Registration Information: Senior standing. Must register for lecture and recitation. ~~Sections may be offered: Online.~~

Description: Examination of phytochemicals and probiotic organisms important in human health. ~~Mechanisms through which functional foods and probiotics modulate intracellular signal transduction and protein expression in chronic disease states~~

Grade Mode: Traditional.

Offering Year: Every ~~Even~~

HES 486~~B~~ Practicum: ~~Wellness Program Management~~ 3(1-0-4) ~~Var[1-3]~~ F, S, SS Spring 2017

Prerequisite: HES 386. ~~HES 386B and BMS 300 with a minimum grade of C and HES 145 with a minimum grade of C and HES 207 with a minimum grade of C and FSHN 150 with a minimum grade of C.~~

Registration Information: Junior standing. 2.5 GPA.

Description: None.

Grade Mode: Instructor Option.

[Deactivation proposals pending for HES 486A and HES 486C]

MECH 408 Applied Engineering Economy 3(3-0-0) F, S Spring 2017

Prerequisite: MATH 161.

Registration Information: Credit not allowed for both MECH 408 and MECH 410. Sections may be offered: Online.

Description: The basic principles and calculations of engineering economy with application to real problems, including energy and the environment.

Grade Mode: Traditional.

NR 578 Ecology of Disturbed Lands 3(3-0-0) S Spring 2017

Prerequisite: (LAND 220 or LIFE 220 or LIFE 320 or NR 565) and (SOCR 240).

Registration Information: Sections may be offered: Online. Credit not allowed for both NR 578 and RS 578.

Description: Analysis of basic and applied ecological principles involved in the restoration of drastically disturbed lands.

Grade Mode: Traditional.

POLS 422 Democratic Theory 3(3-0-0) F, S, SS Spring 2017

Prerequisite: POLS 101.

Registration Information: Sophomore standing. ~~POLS 101; completion of AUCC category 2.~~

Description: Competing approaches to the theory and practice of democracy, both locally and globally.

Grade Mode: Traditional.

POLS 465 Public Policy Analysis 3(3-0-0) F, S, SS Spring 2017

Prerequisite: POLS 101.

Registration Information: [Sophomore standing.](#) ~~POLS 101; completion of AUCC category 2; junior standing.~~

Sections may be offered: Online.

Description: Methods and tools used in the practice of policy analysis and evaluation of current public policy; emphasis on applied analysis.

Grade Mode: Traditional.

PSY 330 Clinical and Counseling Psychology 3(3-0-0) S Spring 2017

Prerequisite: PSY 100.

Registration Information: [Sections may be offered: Online.](#)

Description: Conceptualization of clients, assessment, intervention techniques for behavior change, research methods, ethical issues.

Grade Mode: Traditional.

[existing AUCC 4C, Major in Psychology, Clinical/Counseling Psychology Concentration]

PSY 487 Internship Var[1-3] F, S, SS Spring 2017

Prerequisite: None.

Registration Information: Written consent of instructor. [Sections may be offered: Online.](#)

Description: Supervised affiliation with and/or service work in approved psychological setting.

Grade Mode: S/U Sat/Unsat Only.

PSY 488 Field Placement Var[1-3] F, S, SS Spring 2017

Prerequisite: PSY 310 or PSY 330.

Registration Information: Enrollment restricted to students in the Addictions Counseling Concentration or Counseling/Clinical Concentration. Written consent of instructor. [Sections may be offered: Online. Maximum of 12 credits allowed for psychology majors toward graduation for any combination of PSY 295, PSY 296, PSY 384, PSY 484, PSY 486, PSY 488, PSY 495A F, PSY 496A F, PSY 498A F, PSY 499A F; enrollment limited to one per student per semester.](#)

Description: Supervised affiliation with and/or service work in approved psychological setting.

Grade Mode: S/U Sat/Unsat Only.

PSY 692D Seminar: Industrial/Organizational Psychology Var[1-3] F, S, SS Spring 2017

Prerequisite: None.

Restriction: Must be a: Graduate, Professional.

Registration Information: [Sections may be offered: Online.](#)

Description: Seminar on advanced topics in industrial/organizational psychology.

Grade Mode: Traditional.

SOWK 784 Supervised College Teaching Var[1-4] F, S, SS Spring 2017

Prerequisite: None.

Restriction: Must be a: Graduate, Professional.

Registration Information: None.

Description: None.

Grade Mode: Instructor Option.

Updates and Corrections to Previous UCC Minutes

1. PSY 495B was approved for major changes to the course on the 9/23/16 UCC minutes. The course was approved with a Fall 2017 Effective Term. The correct Effective Term is Spring 2017.

PSY 495B Independent Study: Cognitive Psychology Var[1-3] F, S, SS

Spring 2017

The meeting adjourned at 4:50 p.m.

(FC) 10/7/16
