

UNIVERSITY CURRICULUM COMMITTEE  
ANNUAL REPORT  
April 9, 1985

MEMBERS: A. J. Linck, Chair  
J. E. Pexton, Agricultural Sciences  
D. G. Eynon, Arts, Humanities, and Social Sciences  
H. L. Geu, Business  
A. H. Barnes, Engineering  
P. N. Omi, Forestry and Natural Resources  
K. A. Oltjenbruns, Human Resource Sciences  
R. W. Titley, Natural Sciences  
J. O. Parnell, Professional Studies  
D. W. MacVean, Veterinary Medicine and Biomedical Sciences  
T. A. Anschutz, ASCSU  
G. M. Dennison, Secretary

The University Curriculum Committee reported its actions periodically through the minutes approved by the Faculty Council. In addition to the usual curricular items in the form of course and program proposals, the Committee:

1. Transmitted to the Faculty Council as Special Action Items:
  - a. Proposed Policy on Minimum Standards for Continuation in a Major for Graduation.
  - b. Proposed Policy on Review Courses in Programs of Study.
  - c. Establishment of a Pre-Computer Science Curriculum in the Department of Computer Science.
  - d. Proposed Name Change in the Graduate Program in Agricultural Economics to Agricultural and Natural Resource Economics.
  - e. Establishment of a Department of Entomology in the College of Agricultural Sciences.
  - f. Proposed B.S. Degree in Equine Science in the Department of Animal Sciences.
  - g. Proposed M.F.A. Degree in Creative Writing in the Department of English.
  - h. Proposal to Offer a Biotechnology Interdisciplinary Studies Program.
  - i. Proposal for University Studies Program.
2. Accepted a subcommittee report on accreditation and certification requirements imposed by external agencies.
3. Reviewed the policy on repeating a course and concluded no change is needed.
4. Reviewed the possible need for a residency requirement for minor programs of study and concluded such a requirement was not necessary.
5. Established subcommittees and charged them to study the following issues and to present recommendations at the appropriate time:
  - a. Review possible solutions to the problem of students who procrastinate in completing the mathematics modules.
  - b. Review the feasibility of placing a time limit on the completion of the all-University composition requirement.
  - c. Review courses which may meet area requirements in the University Studies Program.
