Jennifer Patrick, Graduate Student Representative
Laurie S. Hayes (ex officio)

The University Curriculum Committee (UCC) reported its actions periodically through the minutes approved by the Faculty Council. Minor curriculum changes were adopted and distributed to faculty and posted on the UCC web site (www.ucc.colostate.edu). In addition to the usual curricular items in the form of course and program proposals, the Committee:

A. Transmitted to the Faculty Council as special action items:

1. Request to add an undergraduate interdisciplinary studies program in molecular biology;
2. Request to add a graduate and undergraduate interdisciplinary studies in biomedical engineering;
3. Request for changes to the All-University Core Curriculum (AUCC) policies regarding student performance in the Core and multiple uses of courses within the Core
4. Request to change the minimum number of upper division credits for the baccalaureate degree;
5. Request to modify the policy for nontraditional credit for application to a degree at Colorado State;
6. Request to add an undergraduate interdisciplinary studies program in integrated ranch management;
7. Request to drop the undergraduate degree program in occupational therapy effective FA2002;
8. Request to drop the degree program in farm and ranch management and create a concentration in farm and ranch management under the degree in agricultural economics;
9. Request to drop the degree programs in French, German and Spanish and create a degree program in language, literature and culture with concentrations in French, German and Spanish
10. Request to drop the arts and sciences core curriculum;
11. Request to change the name of the major in physical sciences

B. Approved and distributed deadlines for curricular changes.

C. Reviewed all course submissions for Category 1, 2, and 3 of the AUCC

D. Begain the review process for course submissions of Category 4 within the AUCC

E. Reviewed and approved all undergraduate programs of study for incorporation of the All University Core Curriculum

F. Continued work on a modified course approval format for courses offered through distance/technology techniques.
