

UNIVERSITY CURRICULUM COMMITTEE AGENDA

Friday, November 10, 2017 at 2:00 p.m.
106 Administration, Provost Conference Room

If you are unable to attend or will be sending a substitute, please notify [Carole Makela](mailto:Carole.Makela@colostate.edu) (1-5141) or Curriculum_Catalog@colostate.edu (1-2429) prior to the meeting.

Please note: Proposed curriculum changes are summarized below. Additional details may be viewed in the Curriculum Management (CIM) system by clicking on the hyperlinked course number or program title.

ANNOUNCEMENTS

- The Registrar's Office will begin enforcing "Undergraduate ONLY" and "Graduate ONLY" registration restrictions that are approved through the curriculum process at the section level. The departments would no longer need to contact Academic & Classroom Scheduling each term the request that the restriction be enforced on sections. The RO will not remove the UG only or GR only restrictions from any individual course sections. The faculty/department would need to process overrides for any students who do not meet the restriction. We do not currently have the resources to update all of the courses that have already been approved with these restrictions retroactively, so this will only be enforced for courses moving forward.

Universal
Restrictions

- NO Freshman
- NO Sophomore
- NO Junior
- NO Senior
- Undergraduate ONLY
- Graduate ONLY
- Professional ONLY

- The Curriculum Management (CIM) system will be unavailable Friday, December 1st at **5pm** through Monday, December 4th at **8am** for maintenance. Please note that December 1st is also the [deadline for experimental courses for Spring 2018](#) to be approved out of the college workflow.
