Consent Agenda

The Consent Agenda was approved.

Please note: Approved curriculum changes are summarized below. Additional details may be viewed in the Curriculum Management (CIM) system by clicking on the hyperlinked course number or program title below. Once a course proposal is approved to the “Curriculum Liaison Specialist - hold for FC approval” queue in the CIM workflow, the course should be available to be added to the Class Schedule in ARIES/Banner (contingent on the effective term approved by UCC and Scheduling deadlines).

New Subject Code Memo Request			
Subject Code	Subject Code Description	Notes	Effective Term
TOX	Toxicology	New subject code for existing toxicology courses that currently carry the ERHS subject code. Changing the subject code will: <ul style="list-style-type: none"> ○ Make toxicology courses readily identifiable using a universally recognized term ○ Improve the visibility of the program to prospective students by making it clear that our comprehensive curriculum is specific to the field of toxicology ○ Provide students completing graduate degrees in Toxicology with transcripts that clearly identify courses taken in the field, improving the competitiveness of graduates for professional employment and acceptance in programs leading to an advanced degree ○ Facilitate advising by explicit identification of courses that meet program requirements 	Fall 2018
