Miscellaneous Memo Requests	
Request	Notes
New Pre-Dance Program Code Request	The Major in Dance audition process was approved when the degree was approved, effective Spring 2013 (see 'Phase II' new degree paperwork attached in CIM). A pre-code is needed to facilitate the audition process. By declaring a pre-dance major, students may declare their intent to audition, allowing the dance program to identify and contact both incoming and current students. The creation of a pre-dance major will also ensure students move through the proper channels (audition and interview) before being accepted as a dance major. The pre-dance major is consistent with existing procedures in the School of Music, Theatre, and Dance; Music already has a pre-music major.
