ANNOUNCEMENTS

1. **Upcoming Deadline Reminder** – Depending on when your college curriculum committee meets, proposals may need to be reviewed in the next few weeks to meet the upcoming **2/1/19** deadline for:
 - All new courses effective Fall 2019;
 - All changes to undergraduate program requirements effective Fall 2019; and
 - All Study Abroad 1st offerings effective Spring 2020.

2. The revised Curriculum Deadlines document is now available on [CIM's main menu page](#).

3. We have a new shared email address for all curriculum and catalog questions: curriculum@colostate.edu. Please encourage faculty and staff to use this email address for any questions and requests related to CIM forms and system support, UCC process and policy questions, workflow update requests, etc. The new email account will be monitored by four people: Shelly Ellerby, Andrea Russo, Carrie Middleton and Susan Horan.

3. Status Checks: Reminder that we receive a full semester worth of proposals in December and January due to the deadlines, but it will take us a few months to get all of the proposals on the UCC agenda. All proposals received by the appropriate deadlines will be reviewed by the UCC in time for class registration and inclusion in the Catalog (if approved). Please encourage departments to check the status of their proposal in CIM and email curriculum@colostate.edu with any concerns.
