The name change reflects the importance of this accreditation. Completing the new concentration will allow students to designate on their resume that they have completed an ASBMB accredited program. Students can opt to take an ASBMB exam in March of their senior year and potentially receive ASBMB certification.	Fall 2019

Student who pass the exam will additionally receive degree certification from ASBMB.  <i>Note: The text in this CIM field does not appear in the Catalog.
