NEW BUSINESS

Miscellaneous Request – SAU Name Change	
Request	**Notes**
College of Liberal Arts	
From "The Leadership, Entrepreneurship, Arts Advocacy and the Public (LEAP) Institute for the Arts" *to* "Arts Management" ***Note:*** Dept./SAU name changes require Special Action from Faculty Council. This proposal would be forwarded to the Committee on Faculty Governance for consideration.	When the LEAP (Leadership, Entrepreneurship, Advocacy, Public) was named 10 years ago, it was connected to a few new courses for undergraduates looking for a certification type program in music business. Since that time, the program has added an online and residential masters degree and a minor for undergraduates. In order to correctly align with what we do in our program, to be able to recruit, and to grow our curriculum within the field of study, we are requesting to change our name to a name that the industry and potential and current students will recognize.
