<a href="#">SAHE-MS: Master of Science in Student Affairs in Higher Education, Plan B</a>	<p>The M.S. in SAHE has been heavily prescriptive and allows little elective choice for students which puts significant constraints on students' abilities to complete a thesis. This program change is meant to address both of those concerns by reducing course redundancy and offering elective tracks or cognates that include thesis (while remaining under Plan B). Program level learning outcomes were drafted in Spring 2018 that help to add focus and clarity to the curriculum.</p> <p>This program modification, therefore, includes the following elements:</p> <ol style="list-style-type: none"> <li>1. Enunciation of program-level learning objectives</li> <li>2. Change in the number of required courses and in the courses that are required</li> <li>3. Change in elective options</li> </ol> <p><i>Approved by CoSRGE on 12/5/19.</i></p>	Fall 2020
