Friday, January 24, 2020 at 2:00 p.m.  
106 Administration, Provost Conference Room

If you are unable to attend or will be sending a substitute, please notify UCC Chair Brad Goetz (1-7690) or [Curriculum@colostate.edu](mailto:Curriculum@colostate.edu) (1-2816) prior to the meeting. FileShare link: <https://eid.colostate.edu/filessharing/login.aspx>

**Please note:** Proposed curriculum changes are summarized below. Additional details may be viewed in the Curriculum Management (CIM) system by clicking on the [hyperlinked](#) course number or program title.

## ANNOUNCEMENTS

- The revised **Curricular Policies and Procedures Handbook** is now available on the Curriculum & Catalog website under [Reference Docs & Other Resources: https://curriculum.colostate.edu/media/sites/130/2020/01/handbook-FINAL.pdf](https://curriculum.colostate.edu/media/sites/130/2020/01/handbook-FINAL.pdf)  
The following are the main revisions to the Handbook:
  - A complete revision of the Education Abroad section.
  - Removing the 'Last revised' date from the title page and adding it to each section heading – so it's clear when each section was last revised.
  - Removing most of the paperwork in the Appendices, since paper forms are no longer used.
  - Misc. 'housekeeping' wording revisions to bring the handbook more up-to-date.
- Pending policy update from CoSRGE:** Allowing some 'double counting' of credits for joint and dual-degree programs.
- Curriculum stats – FA19 and projections for SP20:**  
FALL 2019 – Curriculum proposals approved by UCC compared to previous four Fall terms (2015-2018):
  - 33% increase** in COURSE proposals processed (535 compared to 402 4-year average)
  - 73% increase** in PROGRAM proposals processed (84 compared to 48.5 4-year average)2019-20 PROGRAM PROPOSALS – We anticipate at least a 32% increase in the number of CIM proposals to be reviewed by UCC this year compared to the previous 4 years:
  - Average # of CIM proposals processed annually (2015-16 to 2018-19): **167**
  - Projected 2019-20 CIM proposals: **220** (84 processed FA19; 136 pending in CIM queues)2019-20 COURSE PROPOSALS – Harder to predict than program proposals because the SP21 deadline is 5/15/20, so likely will continue to receive proposals throughout the Spring term:
  - Average # of CIM proposals processed annually (2015-16 to 2018-19): **723**
  - 535 processed FA19; about 300 pending in CIM queues

<b>Miscellaneous Request</b>		
<b>MATH 141 Transfer Requirement</b>		
<b>Request</b>	<b>Notes</b>	<b>Effective Term</b>
<i>College of Business</i>		
<a href="#">MATH 141 Transfer Requirement</a>	Rationale/Justification: The College of Business requests a change in the minimum transfer grade requirement of 'B-' in MATH 141 to a "Minimum grade of 'C' in MATH 141 or a higher level calculus course." Students admitted directly into the COB have no minimum requirement. Internal analysis indicates that students admitted directly into the COB that earn a 'C' in MATH 141 still succeed in their Business programs of study. This change is widely supported by 2-year Colorado institutions, as well as lead personnel involved with Undeclared major students at CSU.	Summer 2020

Miscellaneous Request		
Moving Administrative Unit for Women's Studies Programs and WS Subject Code Courses		
Request	Notes	Effective Term
<i>College of Liberal Arts</i>		
<a href="#">Moving administrative unit for Women's Studies Programs and WS Subject Code Courses</a>	<p>Rationale/Justification: The B.A. in Women's and Gender Studies is currently institutionally housed in the Department of Ethnic Studies. Based on a recommendation from the Women and Gender Studies Task Force, and in consultation with administrators in Women's and Gender Studies and Ethnic Studies, we desire to move the curriculum and institutional reporting <i>from</i> Ethnic Studies <i>to</i> the College of Liberal Arts. Women's and Gender Studies, an interdisciplinary B.A., would then be parallel to the college's two other Interdisciplinary degree programs, International Studies and Interdisciplinary Liberal Arts.</p> <p><i>The Curriculum and Catalog Unit will administratively move all of the WS courses and the programs from 1790 to 1701.</i></p>	Fall 2020
