New Undergraduate Concentration		
Program Title	Notes	Effective Term
<i>College of Natural Sciences</i>		
Major in Data Science, Neuroscience Concentration	Offered Main Campus Face-to-face. Is it okay to add a standard statement to top of MCM? “The curriculum for the Data Science major assumes students enter college prepared to take calculus. Entering students who are not prepared to take calculus will need to fulfill pre-calculus requirements in the first semester.” BZ 350 prerequisite does not include STAT 315 as an “or” option, so that unit would need to provide overrides for students in this concentration to register.	Spring 2021
