Program Title	Notes	Last admit term	Last grad term
FMST-BS: Major in Fermentation Science and Technology	The Fermentation Science and Technology major and the Food Science concentration are merging to create the new Fermentation and Food Science major, which will offer a concentration in Fermentation Science and Technology. This will better align resources and curriculum for students and programmatic administrative support.	Summer 2024	Fall 2025

<u>NAFS-FSCZ-BS: Major in Nutrition and Food Science, Food Science Concentration</u>	The Fermentation Science and Technology major and the Food Science concentration are merging to create the new Fermentation and Food Science major, which will offer a concentration in Food Science. This will better align resources and curriculum for students as well as programmatic administrative support. Therefore, we are deactivating this concentration currently under the Nutrition and Food Science Major. The name of this major will be changed to remove Food Science.	Summer 2024	Spring 2027
<u>NAFS-DNMZ-BS: Major in Nutrition and Food Science, Dietetics and Nutrition Management Concentration, Accredited Didactic Program Option</u>	We are updating the title of the major to "Major in Nutrition Science," and submitting a new proposal for this concentration.	Summer 2024	Spring 2028
<u>NAFS-NFTZ-BS: Major in Nutrition and Food Science, Nutrition and Fitness Concentration</u>	A new version of this concentration has been submitted to remove food science from the major title, and update the title and program requirements to reflect our emphasis on sports nutrition and wellness coaching.	Summer 2024	Fall 2027
<u>NAFS-PHNZ-BS: Major in Nutrition and Food Science, Pre-Health Nutrition Concentration</u>	We are updating the title of the major to "Major in Nutrition Science," and submitting a new proposal for this concentration.	Summer 2024	Spring 2028

<u>NAFS-DNMZ-BS: Major in Nutrition and Food Science, Dietetics and Nutrition Management Concentration, Childhood Nutrition Option</u>	We are changing the name of the major to "Major in Nutrition Science" and streamlining the number of options to make the process less confusing for students. This specialization has consistently low enrollment, so we are proposing to deactivate.	Summer 2024	Spring 2028
<u>NAFS-DNMZ-BS: Major in Nutrition and Food Science, Dietetics and Nutrition Management Concentration, Gerontology Nutrition Option</u>	We are changing the name of the major to "Major in Nutrition Science" and streamlining the number of options to make the process less confusing for students. This specialization has consistently low enrollment, so we are proposing to deactivate.	Summer 2024	Spring 2028
<u>NAFS-FSYZ-BS: Major in Nutrition and Food Science, Food Systems Concentration</u>	We are restructuring this major to have a greater focus on nutrition science. This concentration has consistently low enrollment and does not fit well with the new direction of the major.	Summer 2024	Spring 2028
